Dear Mr. Jones:

This is a final response to your 21 November Freedom of Information Act (FOIA) request, submitted on behalf of MuckRock News, received in the office of the Information and Privacy Coordinator on 21 November 2011, for "a list of all documents mentioning Anwar al-Awlaki."

The FOIA was enacted to provide a means for the general public to access government records. Under the provisions of the FOIA, federal agencies are not required to create records or conduct unreasonable searches through a body of material to see if any of it is related to a particular request.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan Viscuso", with a long, sweeping horizontal line extending to the right.

Susan Viscuso
Information and Privacy Coordinator
